# CADCAM for Managers

*Training Course in two half day sessions*

**Thursday 10th & 17th November**

**7:30 am – 11:30 am**

**EEF Technology Centre**

**Tyseley, B11 3ET**

## *Demystify CAD/CAM: a hands on approach*

Tailored to suit your busy lifestyles, this course (divided into two half-day sessions) is intended for directors, managers, supervisors, team leaders, administrators and those interfacing with customers and suppliers. It will rapidly raise awareness and provide an understanding for all involved in modern, efficient design and manufacturing.

If you need an understanding of the methodology, advantages and pitfalls of computer aided design and computer aided manufacture (CAD/CAM), then this is the course you have been waiting for. Delivered at the EEF Technology Centre, delegates will have an opportunity for hands-on experience of the subject.

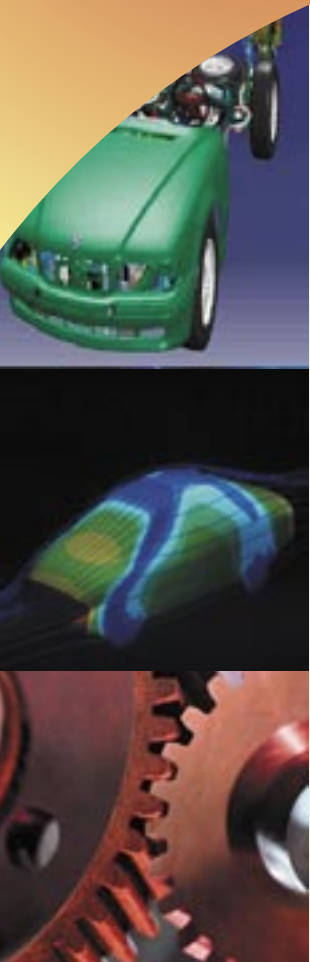

This £350.00 training course is FREE OF CHARGE to West Midlands automotive SMEs. See over for discount prices for other organisations.

Both the subject matter and the incredible funding opportunity should not be missed, so be sure to book your place now to take advantage of the occasion.
